Marvel freelance credits (present): HEATHCLIFF, MAD BALLS, TOP DOG, CARE BEARS, CONAN, KING CONAN, HERCULES Graphic Novel, Etc.
My hobbies are: Photography—reading History books.
The single work of which I am most proud is: Earning my pay.
My pet peeves are: Color on my white shirts.
My place of birth is: Washington, D.C.
My greatest accomplishment outside the comics field is: Keeping a secret of the fact that I really am a rich Greek tycoon!
My oddest habit is: First thing I do when I arrive at my office, I turn off the lights.
If they were making a movie of my life, I'd like to see my part played by: W.C. Fields.
The reason I got into comics was: Because I am already a Greek tycoon and I wanted to try something new.
People who knew me in High School thought I was: I didn't stay there long enough to find out what they thought of me.
My favorite performers are: Benny Hill.
The last good book I read was: HERODOTUS.
The last good movie I saw was: THE GREEK TYCOON.
The biggest influences on my work include: Stan Lee, Jack Kirby, Rembrandt—Norem, Dick Tracy.
My greatest unfulfilled ambition in the comics field is: To color a cover that no separator could ever possibly separate.
The worst part of my job is: Having all the editors coming in saying their cover must be colored first.
When nobody's looking I like to: Turn on the light.
The one thing I really want the world to know about me is: That I only use black & white colors.

MELMAC MAIL SACK

SID JACOBSON: EDITOR A.A. PERRY: ASSISTANT EDITOR
c/o S.T.A.R. COMICS, 387 PARK AVE. SOUTH, N.Y.C., N.Y. 10016

Dear ALF,

I wish you were my pet. Can you come to visit me? I am eight years old. How old are you?

Please send me $20.00 or $7.00 or $10.00. I really want you to visit.

Pamela Ollinger
Canada

Alf, a *pet*? Bad idea, Pamela, especially since Melmacian technology is so far superior to ours. In fact, we're lucky *we're* not pets on *Melmac*.

And Alf would love to send you money, but unfortunately, it would probably be Willie's money. Sorry to say, we're guessing Willie may not be too keen on the idea.

Would a few wernicks help out?

Dear ALF,

I'm a twelve-year-old Earthling Boy, and I have a small "problem." I can't get enough ALF. I have all of your comics except #2. I'm heart-broken, I can't find #2 anywhere!! Please help!

I live in Windsor, Connecticut, and where I live there are about twenty stray cats (I could pay in food).

Ito Pizarro
Windsor, CT

Yes, Ito, you do have a problem. But better this than acne--after all, we can clear up your ALF problem right away. First, order an ALF subscription. (By the way, cats rarely go happily into the mail box, so sending a check is still your best choice.)

Next, get back issues of ALF (or any other comic) by writing to one of the comic mail order companies that advertise in most of the regular Marvel comics. And hurry--broken hearts are so messy.

Dear Alfers,

I really like ALF comics! Some of my favorites were: ALF Annual #1, ALF #3, 4, 5, 8, and 9. I would like to see more Melmac Manners ["Mind Your Manners," ish #5] in coming issues. I would also like to see ALF Digests out on the market.

So, until ALF teams up with the Black Cat, Make Mine Marvel! (HA! I kill me!)

Justin Amen
Burley, ID

Ugh. Personally, we'd hate to see Alf digesting.

On the other hand, collections of past ALF comics would be something to scramble eggs for. And, in fact, several issues of the ALF COMICS MAGAZINE were published, reprinting the earliest ALF adventures.. We suggest you scurry on down to your local comics dealer for details. Maybe, just maybe, he'll have a few more around.

Yo, ALF,

Isn't it time they built a statue of you in New York harbor? Get rid of the Statue of Liberty, to make way for the Statue of Comedy.

Oh, yeah. How's Rhonda. Have you seen her since your ALF ANNUAL #1?

Alien Life Fan,

Joey Kiedrowski
Shellbrook, Sask.
Canada

Rhonda flew off to settle New Melmac, Joey, if you'll recall that historic story. Or just call it a story. Same thing.

But will they ever meet again? It's possible. Sooo, all you Rhonda fans--write in, and make your opinions heard! (Read, too!)

Dear ALF,

I just want you and every alien to know how much I love you. I'm almost 20 years old, and you're my hero. I want to grow up to be just like you.

I have all your comic books, pins, shirts, posters and every size ALF doll. Now I'm working on your bed sheets.

I wish for once you could get the Tanners' can. HA.

Tracey Zayac
Comber, Ont.
Canada

P.S. Snorb snorb snorb!

A-hem! Getting a little personal there, aren't we?

But how nice that you want to grow up to be just like ALF--short, loud, and furry. Now, *that's* something to look forward to!

Dear Alfster,

I love it! Your comic is without question one of the best, especially the ALF ANNUAL #1. I hope to see more comics like this in the future

Could you make a comic of Alf's life on Melmac?

HA!

Brian Swane
Edmonton, Alberta
Canada

If you read ALF carefully, you'll see that at least one story in every issue is about Gordon's adventures on Melmac. Whether those will ever spin off into an all-new, separate comic book is another issue entirely--or it could be, anyway!

Anyone else have an opinion?

Dear ALF,

I'm a big fan or yours. I have all your comic books and a lot of other stuff. I watch you on TV. I love food, too, and beating up my brother is "NO PROBLEM!" Ha! I kill me!

Alf, you're the freshest, funniest, funniest-looking fuzzball I've ever seen.

If you can, could you send me a letter, and ten dollars? Just kidding! Forget the ten bucks.

Keith Barnes
Brooklyn, NY

You'll get your letter published--and like it!

Dear ALF,

I have a few questions about your holiday special. Is the 64-page comic book ALF #13? Is it an ANNUAL #2? Is it the comics magazine #3? Please try to answer these questions.

By the way, Alf, you're the best. Nothing can beat you. I like you better than E.T. By the way, do you know E.T.? I think you should make a movie.

Joey Meñez
Glendale, CA

Sorry, Joey, but we kept coming up with more and more, better and better ideas! But once we had all our ideas together--we discovered the awful truth... it wasn't time for the next ALF ANNUAL, and the next comic book was already planned, and ALF COMICS MAGAZINE was supposed to be reprints... We ask you, what's a comic book company to do, huh? Fortunately for you, we came out with the ALF WINTER HOLIDAY SPECIAL #1!

Okay, it's a little harder to organize for all you collectors, but would you rather have gone *without* classic stories such as "Shop Around the Clock" and "Snowman is an Island"? We think not!
